IMPORTANT — READ CAREFULLY: This End-User License Agreement is a legal agreement between you (either an individual or a single entity) and WIDEKNOWLEDGE for its applications.
A corporation formed under the laws of the United States of America, is willing to license Chess Quantum for Palm (including, but not limited to, computer software and associated media and printed materials), all versions and updates thereof, and the associated online documentation, to you only upon the condition that you agree to and accept all of the terms and conditions contained in this End-user License Agreement. This agreement applies to the download and use of Chess Quantum for Palm and the term Software as used herein refers to each of WIDEKNOWLEDGE products. Please read the terms carefully before downloading and installing the Software to your desktop or handheld device. BY DOWNLOADING THE SOFTWARE, INSTALLING THE SOFTWARE, COPYING THE SOFTWARE OR OTHERWISE USING THE SOFTWARE YOU CONSENT TO BE BOUND BY AND BECOME A PARTY TO THIS AGREEMENT. IF YOU DO NOT AGREE TO ALL OF THE TERMS AND CONDITIONS OF THIS AGREEMENT, IF YOU DO NOT ACCEPT THE TERMS AND CONDITIONS, THEN DO NOT INSTALL, COPY OR OTHERWISE USE THE SOFTWARE AND PROMPLTLY DELETE OR DESTROY ANY COPIES OR BACKUPS YOU MAY HAVE OF THE SOFTWARE.

1. Definitions
    "License key" or "Registration Code" refers to the unique key issued to a user who has paid for the registration of his installed software copy.
    "HotSync Name" refers to the name given by the owner or name of the HotSync account on the desktop/handheld used during HotSync process. This term is only applicable if the user is installing the product to a Palm compatible/Palm powered device.
    "HotSync Operation" refers to the process of synchronizing files from the handheld to the desktop or vice versa. This term is only applicable if the user is installing the product to a Palm compatible/Palm powered device.

2. Software License. WIDEKNOWLEDGE hereby grants you a limited, non-exclusive, non-transferable, non-assignable license to use the Software. The license permits you to:
        a) Use the Software on your terminal or workstation or handheld device;
        b) Load the Software into your computer's temporary memory (RAM) or your handheld device's temporary memory (RAM/ROM);
        c) Install the Software onto a permanent storage device (a hard drive) as detailed in the documentation;
        d) Create printouts of output from the Software for your personal use only.
        e) License is only issued to the user and will only be used once per each installation of the software.

3. Description of Rights and Limitations. The license granted hereunder does not permit you to:

    a) Permit other individuals to use the Software except pursuant to the terms and conditions of this Agreement;

    b) Unless otherwise specified, you may not modify, copy, distribute, transmit, display, perform, reproduce, publish, license, create derivative works from, transfer, or sell the Software.

    c) Modify, translate, reverse engineer, decompile, disassemble, or create derivative works based on the Software;

    d) Copy the Software, other than as specified above; rent, lease, grant a security interest in, or otherwise attempt to transfer rights to the Software; or

    e) Remove or alter any proprietary notices, labels or documentation on the Software when creating permitted copies of the Software, or permitted printouts of the Software output.

    f) No Unauthorized Reproduction. The Software is licensed and not sold to you, the end user, pursuant to the terms and conditions of this Agreement. You agree and acknowledge that WIDEKNOWLEDGE and its licensors transfer no ownership interest in the Software, in the intellectual property in the Software, to you or anyone else under this Agreement or otherwise, and that WIDEKNOWLEDGE and its licensors reserve all rights not expressly granted to you hereunder. Any reproduction or redistribution of the Software in violation of this Agreement is expressly prohibited by law, and may result in severe civil and criminal penalties. WIDEKNOWLEDGE actively and aggressively enforces its intellectual property rights to the fullest extent of the law.

    g) Export Restrictions. Use of the Software in territories where its contents are illegal is prohibited. You may not export or re-export any Software received under this Agreement except in full compliance with any applicable law. You are responsible for complying with any local laws in your jurisdiction that may impact your right to import, export or use the Software.

4. Submissions to WIDEKNOWLEDGE. By transmitting any suggestions, information, material, or other content to WIDEKNOWLEDGE you:

    a) represent and warrant that such content does not infringe the intellectual property or proprietary rights of any third parties (including but not limited to patents, copyrights, trade secret, or trademark rights) and that you have all rights necessary to convey such content to WIDEKNOWLEDGE and

    b) automatically grant to WIDEKNOWLEDGE the royalty-free, perpetual, irrevocable, non-exclusive right and license to use, reproduce, modify, adapt, publish, translate, create derivative works from, distribute, redistribute, transmit, perform and display such content (in whole or part) worldwide and/or to incorporate it in other works in any form, media, or technology now known or later developed for the full term of any rights that may exist in such content. Further, WIDEKNOWLEDGE is free to use any ideas, concepts, know-how, techniques, and suggestions contained in any content or communications you send for any purpose whatsoever, including but not limited to creating, manufacturing, and marketing products and/or services using such information.

5. Third Party Materials, Software or Services.

   a) Third Party Materials. You acknowledge and agree that the Software may feature materials or information provided by third parties. WIDEKNOWLEDGE makes no representation with respect to, nor does it guarantee or endorse the quality, non-infringement, accuracy, completeness, timeliness, quality or reliability such third party materials or any other materials. WIDEKNOWLEDGE expressly disclaims responsibility and liability for all third-party provided materials contained on or accessed through the Software.

   b) Third Party Software or Services. You acknowledge that the Software may incorporate software provided to WIDEKNOWLEDGE by third parties that was not written or developed by WIDEKNOWLEDGE or that the Software as provided by WIDEKNOWLEDGE or as configured by you may access or be used to access services provided by third parties not controlled by WIDEKNOWLEDGE. Without in any way limiting the generality of the foregoing sections, and anything to the contrary in this Agreement notwithstanding, WIDEKNOWLEDGE shall have no liability or responsibility for the operation or performance of the Third Party Software or Services and shall not be liable for any damages, costs, or expenses, direct or indirect, arising out of the performance or failure to perform of the Third Party Software or Services, or from any claims that the Third Party Software or Services or the use thereof infringes the copyright or other proprietary rights of any third party. WIDEKNOWLEDGE MAKES NO WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED OR STATUTORY, AND DISCLAIMS ALL WARRANTIES, OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT IN CONNECTION WITH SUCH THIRD PARTY SOFTWARE OR SERVICES. You acknowledge and agree that your rights in such Third Party Software or Services may be subject to the terms (including the termination provisions thereof) of any license or other agreement, if any, pursuant to which WIDEKNOWLEDGE has acquired the right to distribute or provide access to the Third Party Software or Services, and WIDEKNOWLEDGE specifically reserves the right to modify or remove such Third Party Software or Services and to terminate all of your rights to such Third Party Software or Services under this Agreement at any time. You agree to cooperate with WIDEKNOWLEDGE and to take all necessary actions for any such modification or removal of Third Party Software or Services by WIDEKNOWLEDGE contemplated by the foregoing.

6. Term and Termination. This Agreement will take effect at the time you install, copying or otherwise begin using the Software. WIDEKNOWLEDGE reserves the right at any time to deny you access to the Software or any portion thereof, and to terminate this Agreement at any time. This Agreement and the license granted hereunder will determinate automatically if you fail to comply with the limitations described herein. Upon termination, you must destroy all copies of the Software and any related documentation. WIDEKNOWLEDGE reserves the right to modify, or upgrade the Software, or the markings, logos, information, or content relating thereto at any time, and your continued use of the Software or such replacement, modified or upgrade version shall be conditioned on acceptance of the terms of this Agreement or any superceding Agreement.

7. Linking. In the event that the Software at any time provides links to sites on the World Wide Web for your convenience in locating related information and services, you shall understand and accept the following. Such other sites are maintained by third parties over which WIDEKNOWLEDGE exercises no control, and accordingly WIDEKNOWLEDGE expressly disclaims any responsibility for the content, the accuracy of the information, and/or quality of products or services provided by or advertised on these third-party Web sites. WIDEKNOWLEDGE has not reviewed such sites and is not responsible for the contents of such sites that may at some time become accessible by using the Software.

8. Prohibited Uses. The Software is not fault-tolerant and is not designed, manufactured or intended for use or resale as on-line control equipment in hazardous environments requiring fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines, or weapons systems, in which the failure of the Software could lead directly to death, personal injury, or severe physical or environmental damage. Accordingly, WIDEKNOWLEDGE and its licensors prohibit use of the Software in connection with such activities, and specifically disclaim any express or implied warranty of fitness for such activities.

9. Statistical Information. The Software may enable WIDEKNOWLEDGE to acquire statistical data and information concerning your usage of the Software, internet speed and de-installation of the Software By installing, copying or otherwise using the Software, you hereby unconditionally consent to the transmission of the Statistical Information to WIDEKNOWLEDGE. Nevertheless, no personal information that may be used to identify or relate to you personally is collected, thus only information that may be used for demographics of the WIDEKNOWLEDGE user base as a whole.

10. Injunctive Relief. User acknowledges that the Software contains WIDEKNOWLEDGE proprietary and confidential information, and that the disclosure of such information will give rise to irreparable injury to WIDEKNOWLEDGE. Accordingly, WIDEKNOWLEDGE may seek and obtain injunctive relief against the breach or threatened breach of this Agreement in addition to any other rights or remedies that may be available.

11. Complete Agreement. This Agreement represents the complete agreement between the parties concerning its subject matter. WIDEKNOWLEDGE may modify this Agreement at any time. Your continued use of the Software following notice of any such modification will be conclusively deemed acceptance of the revised terms of this Agreement. If any such revision is unacceptable to you, you will terminate use of the Software immediately.

12. Governing Law. This Agreement has been made in and will be construed and enforced in accordance with the laws the United States of America, without regard to the conflict of law principles of any jurisdiction. User expressly agrees to the exclusive jurisdiction of the courts of the United States of America with respect to any claim or dispute arising from the use of the Software or arising from or relating to this Agreement.
