

This is a legal agreement between you, the end user, and Fleming Knoche in this agreement called mobibone. Read this agreement carefully. If you do not accept this agreement, you may not use calc-a-time.

### **Grant Of License**

This License permits you to use calc-a-time on any single computer, provided the software is installed on only one handheld device at any time. You can use the unregistered version for 14 days, afterwards you have to register it or delete it from your computer.

### **Copyright**

The software is owned by mobibone and is protected by German copyright laws, international treaty provisions, and all other applicable national laws. You may not modify, adapt, translate, reverse engineer, decompile, disassemble or otherwise attempt to discover the code and algorithms of the software.

### **Other Restrictions**

You may not rent or lease the software, but you may transfer your rights under this license agreement on a permanent basis provided you transfer all copies of the software and all written materials and the recipient agrees to the terms of this license.

### **No Warranty**

The software is delivered as is and mobibone makes no warranty as to its use or performance. mobibone does not, and cannot warrant the performance or results you may obtain by using the Software or its documentation. mobibone makes no warranties, express or implied, as to noninfringement of third party rights, merchantability, or fitness for any particular purpose. In no event will mobibone be liable to you for any consequential, incidental or special damages, or for any claim by any third party. You have to make sure calc-a-time fits your needs and works on your device and with your third party software.

### **Legal**

mobibone takes no responsibility for any adverse effect that this software could cause to your machine or the data on it: backup important data before using calc-a-time. calc-a-time is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties.

You may not reverse engineer, decompile, or disassemble this software.

Written permission must be obtained before distribution of calc-a-time through any online or offline methods. You may link to the product specific page, but not directly to the files
